Liability Waiver

The RS series hand guard system is designed only to be installed on AR-15 type rifles, by competent users. Triple 8 Firearms has made a good faith effort to insure the safety and reliability of this device. However, there are end user conditions not in control of Triple 8 Firearms, as follows:

- Ability of the user to correctly install and maintain the device
- General condition of the firearm
- Previous and future modifications made to the firearm
- The device is not installed on an industry standard AR-15
- Use or misuse of the device

For the conditions stated hereon, the user, by installing this device on a firearm, agrees to indemnify and hold Bear City Arms, Inc. DBA Triple 8 Firearms and any of its affiliates or distributors harmless from any direct, indirect, punitive, incidental, special consequential damages, to property or life, whatsoever arising out of or connected with the use or misuse of our products.

If you do not feel competent to continue with this installation, retain a gunsmith for assistance.
